

Ms. Holly Blaylock and Family,

From the State of Michigan we send our condolences to the Blaylock family on the loss of their loved one Nate. All of us in the MichCanSka Adventures Snowmobile Club became very fond of Nate in a short period of time and a few of us, myself included were fortunate enough to meet with him on several occasions. He was a very impressive young man who was very articulate and enjoyable to talk to about the products that he represented, Klim Technical Riding Gear.

It was because of his expertise and dedication to the people that he served as customers that helped make our Dream trip of a Lifetime become a safe and comfortable journey through 5 States, 5 Provinces, and 4 time zones from Michigan to Alaska. It was his leadership for the Klim Company that made us select Klim as the clothier of choice for our historic ride and his name was mentioned over and over again as a great person to discuss snowmobiling with.

The industry and Snowmobile Community would be greatly benefitted by emulating Nate Blaylock and his uncommon ability to work with people and inspire them also. Please let it be known that we share in your loss and we feel that Nate was a part of the MichCanSka family and we will all miss him very much.

As family members you can feel proud and honored to have his name as he was well respected by so many people nationwide. Hold your heads high and continue to carry on his good name as we are sure he would want you to. Nate Blaylock is in our hearts and minds and will be in our prayers. May god bless him and the Blaylock Family.

With Kind Regard, Bill Bradfield President MichCanSka.
